

Accomplishments

- Fixed up professor vs class view
- Finished ML model and the bugs associated
- Added better aesthetic to website

Next Week's Plans

- Make website more presentable
- Define what a professional website looks like and if we meet that

This Week's Plans

- Finish UI Overhaul
- Final presentation potentially
- Finish up UI/UX

Risks / Help Needed

- Weird issues when changing window size
- SmartMatch still has some issues being consistent

Important Meetings

- Weekly meetings @ class time
